

Expanding horizons – Opening doors

Unlimited Oxfordshire is a disability charity

We are run by disabled people for disabled people. Most of us are disabled and we are all volunteers. We believe that we can make a difference. We can make it easier to live with a disability in Oxfordshire. We know that services can be improved, buildings can be modified, and attitudes can be changed, and with enough people Unlimited can make it happen so all of us will benefit.

In 2017, we are looking for a new Chair, someone who can lead us towards making Oxfordshire a better place to live for disabled people and a great place to visit for disabled visitors.

- Are you someone with lived experience of disability?
- Do you have some experience of being on a committee or helping lead an organisation?
- Do you have the leaderships skills and drive to make a difference for disabled people or do you know someone who has?

If so – get in touch
info@unltdox.org.uk

Closing date for completed applications
29th September 2017

Unlimited Oxfordshire is a registered charity number 1156718
